*D. Chris*

Thank you for your email of 14 July 2017 on behalf of a District councillor regarding the contaminated land at Jubilee Field, Weedon. I am grateful for the thoughts that the Councillor has shared and I assure you that my officials continue to engage directly with Weedon Bec Parish Council and their legal representatives regarding the contaminated land.

I am pleased to confirm that my officials have had a productive meeting with the representatives of the Parish Council in late July 2017 and have put forward a proposal, which I hope will enable a resolution to the issue. I trust this clarifies the Department's position.
