Dear Mr Heaton-Harris

Stagecoach No. 200 Bus Service

Thank you for your e-mail of 14 February regarding the continuation of the 200 bus service between Daventry and Banbury.

As part of our budget-setting for 2023-24, we have agreed to continue funding for subsidised bus services beyond 1 April until we have received the outputs of a review of our bus network, which is currently under way, and had time to consider what to do as a result.

We are now in discussion with Oxfordshire County Council as to the exact details of how service 200 will continue beyond 1 April; I will provide you with a further update once the arrangements for the future timetable and operator are confirmed.

Yours sincerely
