Dear Chris,

I am writing to confirm the decision to rebuild the permanent buildings for Buckton Fields Primary School in your constituency. The department will now begin the process of procuring a new building contractor to demolish the buildings and undertake a new build.

I know you will be relieved to receive this news after your support to ensure that pupils in your constituency have access to high quality schools in safe buildings.

I have enclosed a copy of a letter from my officials to Preston Hedges Trust.

Thank you for championing this matter. We will continue to engage with you throughout the delivery of the new school.

Yours sincerely,

BARONESS BARRAN
